### **2016 ANNUAL BUDGET**

**Revenue**: General Fund support is at the level needed for General Fund expenditures.

**Personnel**: There are no substantial changes this fiscal year.

**Supplies and Services**: The net decrease is primarily the result of a reduction in the Autos and Trucks Lease/Rental line item and moving the budget to Capital Lease line items.

**Capital Outlay**: The net increase is in the Capital Lease line items for the automobile lease budget that was moved from Supplies & Services.

Transfers Out: The reduction is due to the elimination of a transfer to the Capital Improvement fund.
